*Transform everything with Love.*

Originally from Johannesburg, South Africa, Mirabai Devi is an international spiritual teacher and a living example of unconditional love. She has dedicated her life to the service of humanity.

As a pure loving expression of divine light and healing grace, she initiates a deep and profound transformation of consciousness in anyone who is willing to approach her with an open and receptive heart.

Through her programs, Mirabai teaches us to focus on the light of God within and to remember our own divine nature. This awareness and awakening brings profound joy and the clarity necessary to fulfill our purpose in life.

Programs include guided meditation (satsang), spiritual teachings and the transmission of the Divine Light (darshan). Intimate Gathering programs are opportunities to speak one-on-one with Mirabai and receive blessings and healing.

Please wear modest attire to all programs.
