## *Darshan & Mantra — Paths to Devotion and Oneness*

**Mirabai** and Namadeva will present a perfect balance of both devotion and knowledge. Mirabai will speak on the path to the heart through devotion, divine mother's energy and bliss, and also guide us in meditation. The retreat includes *Darshan* for retreatants. Please note that *Darshan* will be held at the Campe Studio in Northampton, MA.

**Namadeva** will review how the major contributions of the three main great Hindu teachers who laid the foundation of the philosophy and practice of meditation can still transform our lives today. He will also explore the ancient text, *The Lakshmi Tantra*, which gives us practical tools for everyday life.

\*PLEASE NOTE: All events are fragrance-free, including essential oils. Thank you for your consideration.

### **PUBLIC DARSHAN — SAT., NOV. 5 at 6 P.M. at Campe Studio, Northampton, MA.**

Join us for a blissful evening as Mirabai Devi offers teachings (*satsang*) and greets each person in *Darshan*, giving the transmission of Divine Light. Retreat attendance not required; open to the general public. Please bring a cushion. Suggested donation: \$25. (Retreatants: Donation is included in the cost of the retreat). Location: 152 South St., Northampton, MA. The studio is behind the house. Follow path along right of house.

**Mirabai Devi** is an international spiritual teacher and a living example of unconditional love. She has dedicated her life to the service of humanity.

As a pure loving expression of divine light and healing grace, she initiates a profound transformation of consciousness in those willing to approach her with an open, receptive heart.

Through her programs, Mirabai teaches us to focus on the light of God within and to remember our own divine nature. This awareness and awakening brings profound joy and the clarity necessary to fulfill our purpose in life.

Programs include guided meditation, spiritual teachings (*satsang*), devotional singing (*kirtan*), and the transmission of Divine Light (*darshan*). For more information visit: [www.MirabaiDevi.org](http://www.MirabaiDevi.org)

**Namadeva** (Thomas Ashley-Farrand) is one of the Western world's foremost authorities on the practical and direct application of Sanskrit mantra to life's problems. His spellbinding story telling of the ancient scriptures is well-known throughout the US.

A Vedic Priest and international lecturer with nearly thirty years and thousands of hours of experience in chanting, he teaches about the power of mantra to transform our lives.

Namadeva is also a distinguished author of a variety of books and audiotape programs that give unprecedented, detailed instruction in how to empower yourself using the techniques of the ancient sages and rishis.
